

# Medical Marijuana

presented by:

**Theta Zeta Chapter  
Bloomsburg University of Pennsylvania**

**Wednesday  
October 16, 2019  
4:30 - 6 pm**

The Theta Zeta Chapter of Bloomsburg University of Pennsylvania, in collaboration with Region 11 of Sigma Theta Tau International and the Pennsylvania State Nurses Association (PSNA), will hold an online conference to discuss: current legislation, the endocannabinoid system, effects of medical marijuana, dosing and administration, record keeping, and legal implications.

This presentation will be led by PSNA, an accredited provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. Registration and completion of the program evaluation is required for registered nurses to receive 1.0 contact hour. The link for RN registration RSVP is below.

This event is open to Sigma members, non-members, and students. If viewing this program as a group, the group leader will open the link. Individual chapters may send additional information to its members regarding group viewing and panel discussions. Please check your e-mail or contact your chapter's president for more information.

Questions? Contact Dee Welk, Region 11 Coordinator, at [dorettewelk@gmail.com](mailto:dorettewelk@gmail.com).

**This event is free.**
