- 2008-2012 Geisinger, Clinical Nurse, Med Surg and Pediatrics

Have you ever held a position in the American Nurses Association (ANA) or the Pennsylvania State Nurses Association (PSNA)?

- Pennsylvania State Nurses Association (PSNA)
- Served on Political Action Committee, Nominations Committee and Legislative Ambassador

Please list any activities with other professional associations.

- Member of Sigma Theta Tau, Association of Nursing Professional Development

**Why do you feel that you are the best candidate for this office?**

I have served as a member of the Nominating Committee in the past and found it rewarding and beneficial to review candidates and endorse those that will support PSNA proposed bills.

**How do you plan on helping PSNA meet its mission to lead, advocate, educate, and connect with registered nurses across the Commonwealth?**

I will review candidates to ensure they will support the PSNA proposed bills as a way to support the mission to lead, advocate, education and connect with RN's. I think it is also important as a legislative ambassador to advocate and educate with legislatures to ensure they are aware and knowledgeable about proposed PSNA bills.
