**Why do you feel that you are the best candidate for this office?**

I consider myself a new nurse and I am looking forward to expanding my knowledge and experience. I am a fast learner and I am willing to go above and beyond to encourage all new nurses to continue moving forward with education.

**How do you plan on helping PSNA meet its mission to lead, advocate, educate, and connect with registered nurses across the Commonwealth?**

I am willing to utilize all strategies necessary to lead all new nurses with education that will help them excel as a Registered Nurse.
